

BE FINANCIALLY LITERATE IN ONE DAY

Color Accounting™ workshop

Be financially literate in one day with Color Accounting Workshops

World renowned training for non-financial managers, brought to you by ServiceIQ

Due to industry demand, ServiceIQ CEO Dean Minchington is delighted to offer you, your managers and team leaders the opportunity to participate in a Color Accounting workshop – The proven, critically acclaimed programme that helps non-financial managers worldwide to quickly upskill and gain vital know-how for better business.

Using rapid learning techniques, the one-day workshop makes it easy for non-financial managers to get to grips with:

- balance sheets
- income statements
- cash flow
- accrual accounting and depreciation
- value generation and profitability
- business valuation
- performance measurement
- financial communication and pitfalls
- financial analysis
- funding strategies
